EMME

2012 | Best of NeoCon Gold Award Winner

Since its founding in 1944, Nucraft has worked with customers to create inspiring conference rooms, private offices, reception areas, and training spaces. The company's designs and custom capabilities delight clients who demand the most exacting fit, finish and value for their environments. Every day, Nucraft serves customers with imaginative solutions that integrate technology and furniture in new and inventive ways.

DESIGNER PROFILE: JESS SOREL

For nearly 20 years, Jess Sorel's work demonstrates his passion for questioning the status quo. His thoughtful approach is driven by an insatiable curiosity about the context in which objects are made and used. Jess interprets the world through a lens that is focused on the impact that culture and technology have on the way we live, work and play.
