

DENIZEN COLLECTION

WilliamsSorel, USA

coalesse®

Borderless thinking.

With Denizen, space can be artfully adapted so work and life coexist comfortably. Denizen doesn't tell you when to work or where to work. It provides options. Erases boundaries. Opens doors.

————— Work. Play. Collaborate. Contemplate. With Denizen there are no borders. Each piece is a handsome convertible that invites mobility. Flavorful yet restrained. Classic simplicity with new energy. This is the balance discerning people seek.

————— Hand-crafted from the finest veneers, Denizen casegoods amplify the inherent beauty of wood, evoking a richness not commonly found in contract furniture.
