Thro

a modern waste & recycling unit

Thro

Designed by David Murphy, the Thro free standing recycling center is a large capacity receptacle system that offers high functionality in a modern design. With Thro's expansive selection criteria and customized labels, this unit is great for restaurants, corporate offices, break-rooms, collaborative spaces, or any space where you would like to enhance recycling. Thro's convenient front door sliding feature allows for easy bag removal. Place a Thro in your work space and Nevins guarantees it will appear beautifully and provide lasting durability.
